[LAST UPDATED: 2/25/2020]

Finished with applications! Now that we are in the waiting phase, I will update the status for each fellowship/internship/school below:

Fellowships:

- **NSF GRFP:** unknown
- **NPSC:** I have been matched with Lawrence Livermore, which is an employer member of this fellowship. Not sure how this would stack with the GEM fellowship.
- **PD Soros:** rejected
- **NDSEG:** unknown
- **SMART:** moved onto semi-finalist round, I interviewed for an internship with the Missile Defense Agency located at Schriever AFB near Colorado Springs. It went very well.
- **GEM:** I am a finalist and have been matched with an employer. If I can get a school to accept me with GEM funding, I will win the fellowship, covering full tuition and 4k/semester stipend.
- **KHS (Stanford only):** rejected

Programs:

- **Stanford:** unknown
- **CMU Comp Sci:** rejected
- **CMU Robotics:** accepted
- **CMU Machine Learning:** rejected
- **UC Berkeley:** unknown
- **University of Illinois:** unknown
- **University of Maryland:** unknown
- **Harvard:** rejected
- **UC San Diego:** unknown
- **Northeastern University (Cyber-physical systems):** accepted
- **Northeastern University (Data Analytics):** accepted
- **Northeastern University (Robotics):** unknown

Internships for Summer 2020:

- **Hermeus (start-up):** rejected
- **Amazon:** rejected
- **AFRL Rome:** I received an offer to work on Trustworthy Autonomy in Reinforcement Learning.
- **AFRL Eglin:** unknown
- **AFRL Kirtland/AMOS/Wright-Patterson:** unknown
- **Lawrence-Livermore National Laboratory:** I've been selected to intern at the Data Science Summer Institute (https://data-science.llnl.gov/dssi). I'm in the process of finding housing and a work assignment. Start and end dates will be offered as May 18 – Aug 7.
